

Capability Statement

Robinson Noble, Inc. supports federal, state, local, and private entities with geologic, hydrogeologic, environmental, and geotechnical consulting services. Established in 1947, we are widely recognized as one of the premier environmental consulting firms in Washington State. Robinson Noble specializes in:

Geologic and Hydrogeologic Services

- Water resource definition & source protection
- Groundwater development & management
- High-efficiency well design, rehabilitation & maintenance

Environmental Services

- Site characterization, remediation & restoration (ESAs, RD/RA, SEPA/NEPA EIS support, etc.)
- Regulatory compliance (MTCA/CERCLA/RCRA/TSCA)
- Permitting & monitoring (SWPPP, NPDES)

Geotechnical Engineering

- Geotechnical subsurface explorations, analyses & design
- Construction observation & field testing
- Slope stability analyses & laboratory soil testing
